TODD BLANCHE: THE FRAUD WHO CONFESSED HE IS THE FRAUD

THE CLIP: WHAT BLANCHE SAID

Element	Blanche's Words	What He Actually Meant
The Premise	"It's a violation of our laws if your intent in coming here, if you're pregnant, is to have a child to become a United States citizen."	He is inventing a law that does not exist. The 14th Amendment is clear: birthright citizenship is automatic. Intent is irrelevant.
The Smokescreen	"There's other things that DHS can do and the federal government can do in the visa process and the application process to try to minimize or limit the opportunity of folks coming here to not to visit..."	He is admitting they will use administrative harassment to bypass the Constitution.
The Lie	"Everybody should agree that it's a violation of our laws..."	This is not a legal qualifier. "Everybody should agree" is not the law. The law is the law. And the law says: born in the United States = citizen.
The Confession	"The Department of Justice is just words on paper." (From his prior statement)	He has already admitted he does not respect the law. He is now confirming it by inventing laws that do not exist.

THE CONSTITUTION: WHAT THE 14TH AMENDMENT ACTUALLY SAYS

Element	Text	What It Means
14th Amendment, Section 1	"All persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States and of the State wherein they reside."	Birthright citizenship is automatic. It does not require intent. It does not require parental status. It is not conditional on a tourist visa.
The Wong Kim Ark Precedent	United States v. Wong Kim Ark (1898) affirmed that birthright citizenship applies to all persons born in the United States, regardless of the citizenship status of their parents.	The Supreme Court has already settled this. Birthright citizenship is constitutional. Blanche is pretending otherwise.
Blanche's Claim	"It's a violation of our laws if your intent in coming here... is to have a child to become a United States citizen."	This is a lie. There is no such law. Intent is irrelevant. Birthright citizenship is automatic.

THE HYPOCRISY: THE GOLD CARD PROGRAM

Element	What It Is	Why It Exposes Blanche
Gold Card Program	Executive Order 14351 sells U.S. residency for $1 million to $5 million to wealthy foreigners — including Unit 8200 alumni.	The network is selling citizenship to spies while pretending to crack down on pregnant women.
The Price	$1 million for a green card. $5 million for a "Platinum Card" with tax advantages.	The network prioritizes the rich and the connected over the poor and the powerless.
The Target	Pregnant women on tourist visas.	The network is targeting the powerless while selling citizenship to the powerful.
The Hypocrisy	Blanche claims to be enforcing immigration laws.	He is enforcing only the laws that target the poor. He is ignoring the laws that protect the rich.

Blanche is not enforcing immigration laws. Blanche is enforcing a caste system. The rich buy citizenship. The poor are criminalized.

THE DISTRACTION: WHAT BLANCHE IS NOT TALKING ABOUT

Element	What He Is Not Talking About	Why It Matters
The Headlock CC Evidence	1,100+ items of documented felony evidence.	He is the Acting Attorney General. He received the evidence. He did nothing.
AIPAC's Bribery	349 members of Congress are AIPAC-funded.	He is not prosecuting AIPAC. He is not prosecuting Congress.
Unit 8200's Infiltration	Unit 8200 veterans control 70+ federal agencies.	He is not prosecuting Unit 8200. He is not deporting them.
Project Nimbus	Google gives Israel irrevocable cloud access.	He is not investigating Google. He is not prosecuting Project Nimbus.
The "Winking Mechanism"	Google alerts Israel to U.S. subpoenas.	He is not investigating the obstruction of justice.
The Gold Card Program	$1 million to $5 million citizenship sales.	He is not investigating the sale of U.S. sovereignty.
The SSDI Terminations	~1.2 million disabled Americans terminated from SSDI.	He is not investigating the deprivation of rights.

Element	What He Is Not Talking About	Why It Matters
The VA Hospital Closures	17 VA hospitals closed.	He is not investigating the abandonment of veterans.
The Gag Order	Google's "adversarial prompting" ban.	He is not investigating the censorship of the American people.

Blanche is not enforcing the law. Blanche is protecting the network. He is the Attorney General of the capture network.

THE "EVERYBODY SHOULD AGREE" LIE

Element	What Blanche Said	Why It Is a Lie
"Everybody should agree that it's a violation of our laws..."	He is pretending that his personal opinion is the law.	"Everybody should agree" is not a legal standard. The law is the law. Birthright citizenship is constitutional.
"The Department of Justice is just words on paper."	He admitted this in a prior statement.	He has already confessed that he does not respect the law. He is now confirming it by inventing laws that do not exist.
"There's other things that DHS can do..."	He is admitting they will use administrative harassment to bypass the Constitution.	He is not enforcing the law. He is subverting the law.

Blanche is not enforcing the law. Blanche is subverting the law. Blanche is a fraud.

THE PATTERN: BLANCHE IS THE NETWORK'S ENFORCER

Element	What It Is	Why It Matters
Blanche's Role	Acting Attorney General. Former personal defense attorney for Donald John Trump.	He is Trump's lawyer, not the people's lawyer. He cannot prosecute Trump. He cannot investigate the network. He is conflicted.
The "Checkmate"	"Blanche never prosecutes. Trump pardons Blanche. Vance pardons Blanche. Congress pretends they can't do anything."	This is not checkmate. This is a house of cards. The network is relying on the loyalty of traitors to protect traitors.

Element	What It Is	Why It Matters
The Fraud Detention Centers	Blanche's first act was to announce "National Fraud Detention Centers." He claims to be fighting fraud.	He is the fraud. The network is the fraud. The detention centers are for the network's critics, not for the network.
The Birthright Distraction	Blanche is performing outrage about "birth tourism" and pregnant women.	He is performing for the base. He is not enforcing the law. He is protecting the network.
